Re: *Agency for International Development, et al. v. Alliance for Open Society International, et al.*, Docket No. 12-10

---

Dear Mr. Vasil:

The *amicus curiae* brief submitted to the Court in the above-captioned case by Deans and Professors of Public Health and Organizations Working in Public Health Policy and Implementation inadvertently omitted two of the signatories to the brief. Please be advised that the brief was also submitted on behalf of:

- Aziza Ahmed, J.D., S.M., who is Assistant Professor of Law at Northeastern University School of Law; and
- Paul E. Farmer, M.D, Ph.D., who is the Kolokotronis University Professor and Chair of the Department of Global Health and Social Medicine at Harvard Medical School, as well as the Chief of the Division of Global Health Equity at Brigham and Women's Hospital in Boston. Dr. Farmer is also the Co-Founder of Partners In Health and is the United Nations Special Adviser to the Secretary-General on Community Based Medicine and Lessons from Haiti.

Thank you for your consideration.

Very truly yours,
